1st July 2022

Dear Parents/ Guardians and Students,

I take this opportunity to welcome you and your daughter to Parvati Girls' Hindu College. I extend special congratulations to your daughter on having earned a place at this noble and prestigious college. It is indeed an honor to be granted the opportunity to work with all of you in my capacity as your Principal and I look forward to only excellence in the years ahead.

Transitioning to secondary school is a significant process and to adequately prepare our student for the start of the school term on Monday 5th September, we require that you attend with your daughter an orientation on Friday 2nd September at 8.30am. Students should be dressed in their school uniform for the orientation exercises. At orientation, students will meet their form teachers, subject teachers, Deans and Guidance Officer who will familiarize them with the operations of our school. Orientation will end by 11.30am.

Education is a collaborative venture between the school and home and it is my expectation that we will work together to help your daughter make the transition to secondary school, adapt to the very demanding curriculum and enable them to cope as they enter the teenage years. Parental involvement is critical to the success of any student and we urge parents to encourage and support your daughters as they embark on a new chapter in their academic life.

At Parvati Girls' Hindu College we continue to be one of the premier institutions in South Trinidad which delivers to the holistic development of all of our students. Our vision for excellence and our determination to produce young ladies who are empowered with intelligence, good discipline, vigor, good morals and values are the focus of all of us at this noble institution.

As I welcome your daughter to this college, it is my expectations that she will utilize the opportunity afforded to her in a constructive manner and in so doing bring pride to both her school and you the parents. I hope that the next five to seven years will be successful, rewarding and beneficial for your daughter and I wish her all the best as she now joins the Parvati Girls' Hindu College family.

Welcome!

Yours respectfully

Dr. Sharda Maharaj-Ramjattan

Principal (Secondary)
